Amazing Blitz Comes To An End

Today Habitat For Humanity is wrapping up their work on three homes built in just nine days in Sioux Falls.

Coordinators for the Amazing Blitz say all that's left for today is some cleaning, trim work and paint touch-ups.

At 9:30 a.m. tomorrow morning, Habitat For Humanity will have a house blessing, part of Habitat's ministry, thanking the volunteers before transferring the new houses to the new home owners.

"I just don't have a whole lot of words because I'm so overwhelmed. It's just awesome, it's a miracle, the spirit of these people, you've probably seen it, or heard it among them, it's just incredible," said Habitat For Humanity Executive Director Sue Olsen.

The BlitzBuilders say they are still looking for volunteers for next year, when they will be building homes in Hawaii.
