To Whom It May Concern,

My name is Austin View, and I am the Executive Director of Show-Me Central Habitat for Humanity. In September of 2023, we had the pleasure of hosting the Blitz Home Builders. Together with the Blitz Home Builders, we hoped to build 4 houses in 10 days. For a full year proceeding the build we used the excitement to raise money, generate press, and build on our volunteer base. We had a lot riding on that promise.

I am pleased to say we met our goal and some. It was an absolute delight to work with this group. They helped us with the planning and delivered just as promised. One of my biggest concerns was how they might work with volunteers. I feared locals would show up and stand with their hands in their pockets looking bored. Blitz Home Builders did an excellent job of getting everyone involved and making sure they had an impactful day. I would 100% have them again.
